

A CHANCE TO SERVE

The student ministry traveled to Buffalo, NY this last summer to participate in World Changers. This mission trip not only touched the lives of those in the Buffalo area, but had a huge impact on our students. It was so incredible to see students giving up time during the summer to get dirty and work hard. The mission trip was so positive that the student ministry is returning to World Changers this summer in Savannah, GA. We want to provide every student who is in 9th - 12th grade this year a chance to serve. Because of the

overwhelming response last year, we are allowing students to pre-register for the mission trip this year. In doing so we can guaran-

**World Changers
Savannah, Georgia
June 25-July 5**

tee that every student who wants a spot will have one. World

Changers limit their numbers for each sight, so the earlier we sign up, the more spots our students will have. Please encourage any family members or other students who are interested to pre-register at www.thestudentministry.tv. Pre-registration will go on from now until Sunday, September 26. Thank you for all your support and prayers as we already prepare to serve next summer.

Kyle Adcock
Student Minister
